Aims and Scope

Journal of Linguistics and Communication Studies (ISSN 2958-0412) is a peer-reviewed journal that provides a platform for scholars to disseminate research on linguistics, communication, and related fields. The journal aims to publish high-quality, original research that sheds light on the complexities of language and communication, and contributes to theoretical and practical advancements in these fields. The journal welcomes submissions from scholars working in various disciplinary, theoretical, and methodological traditions, and encourages studies that explore the intersection of language and communication with social, cultural, political, and historical issues. The *Journal of Linguistics and Communication Studies* is committed to promoting a diverse range of research perspectives, fostering scholarly dialogue, and contributing to our understanding of language and communication in the world today.

The main subject areas include, without being limited to the following:

- Critical Discourse Analysis
 - Syntax and Semantics
 - Grammatical Metaphor
 - Language and Culture
 - Rhetoric and Rhetorical Strategies
 - Language and Globalization
- Appraisal Framework/Theory
 - Contrastive Linguistics
 - Systemic Functional Linguistics
 - English Language & Linguistics
 - Phonetics & Phonology
 - Comparative Linguistics

Submissions

We are seeking submissions for the forthcoming issues. Authors should submit manuscripts written in professional English. Manuscripts with 3,000-10,000 words in length are preferred. All manuscripts should be prepared in OpenOffice, Microsoft Word, or RTF document file format. Focus issue manuscript should be submitted at: <https://www.paradigmpress.org/ILCS>, or sent to: office@paradigmpress.org.

Editorial Process

Stage 1: The author submits a manuscript and will receive a paper ID.

Stage 2: Immediately after submission, the journal’s Managing Editor will perform an initial check to assess:

- (1) Overall suitability of the manuscript to the journal;
- (2) Manuscript adherence to high quality research and ethical standards;
- (3) Standards of rigor to qualify for further review.

Stage 3: Peer review and revision — all manuscripts are sent for peer review.

Stage 4: Acceptance for publication.

Stage 5: Completion of APC payment (plus VAT, where applicable). No further charges will be incurred.

Stage 6: Technical/copyediting, layout, and proofreading.
