Call for Articles

Aims and Scope

Studies in Social Science & Humanities (ISSN 2709-7862) is an international peer-reviewed journal published by Paradigm Academic Press. Our main focus is the applications of social science and humanities theories and methodologies, such as linguistics, sociology, anthropology, cross-cultural studies and more. *Studies in Social Science & Humanities* aims to cater to needs of all those researchers and academicians looking forward to contribute through their knowledge and expertise in the field of social science and humanities. We also provide a platform for researchers and academics to pursue an interdisciplinary approach to address issues relating to social science and humanities.

The main subject areas include, without being limited to the following:

- Anthropology
- Archeology
- Communication Studies
- Religion and Mythology
- Cross-cultural Studies
- Demography
- Ethics
- Linguistics
- Psychology
- Social Welfare
- Philosophy
- Gender and Women's Studies

Submissions

We are seeking submissions for the forthcoming issues. Authors should submit manuscripts written in professional English. Manuscripts with 3,000-10,000 words in length are preferred. All manuscripts should be prepared in OpenOffice, Microsoft Word, or RTF document file format. Focus issue manuscript should be submitted at: https://www.paradigmpress.org/SSSH, or sent to: submission@paradigmpress.org.
