Call for Articles

Aims and Scope

Journal of Advanced Research in Education (ISSN 2709-3980) is a peer-reviewed scholarly journal. The journal welcomes any research papers on education and science using techniques from and applications in any technical knowledge domain: original theoretical works, literature reviews, research reports, social issues, psychological issues, curricula, learning environments, book reviews, and review articles. The articles should be original, unpublished, and not in consideration for publication elsewhere.

The main subject areas include, without being limited to the following:

- Adult Education
- Special Education
- Curriculum and Teaching Methodology
- Educational Policy
- Education Technology
- Higher Education
- Learning and Teaching
- Pedagogies
- Pre-school Education
- Sociology of Education
- Testing and Evaluation
- Vocational and Technical Education

Submissions

We are seeking submissions for the forthcoming issues. Authors should submit manuscripts written in professional English. Manuscripts with 3,000-10,000 words in length are preferred. All manuscripts should be prepared in OpenOffice, Microsoft Word, or RTF document file format. Focus issue manuscript should be submitted at: https://www.paradigmpress.org/jare, or sent to: office@paradigmpress.org.
